

Arctic Wolf Ice Center Summer Camp 2009

Job Title: Summer Camp Counselor

Location

Arctic Wolf Ice Center
College Station, Texas

Dates

13 weeks
May 18-August 17

Job Description

Under the supervision of the Camp Director and Camp Supervisors, the Camp Counselor is responsible for caring out the day to day activities and making sure all children attending are having fun.

- Assists with development and implementation of summer day camp programs and activities including ice skating, games, arts and crafts, rock wall, movies, and snacks
- Monitors campers ages 3-12 and ensures safety precautions for all participants
- Ensures that participants have the supplies they need
- Willing to play games on and off ice with children
- Promote camper participation in all activities.
- Works with camp supervisor to ensure camp activities are executed properly
- Other duties as assigned

Knowledge, Skills and Abilities

1. Must be able to properly supervise children
2. Ability to work with children and communicate with parents
3. Previous childcare experience preferred
4. Must be friendly, outgoing, dependable and punctual.

Minimum Qualifications

Previous childcare experience and a basic knowledge of childhood development is preferred. Must be able to work Monday- Friday with shifts varying from 7am- 6pm beginning May 18 through August 21.
