Each summer we need camp counselors, a nurse, and other camp staff. Recruiting begins in February, so contact us early for an application. Besides a salary we offer free room and board and free Red Cross Lifeguard, First Aid, and CPR training. Our counselors gain valuable experience working outdoors with youth at Camp Woodmen, an American Camping Association accredited camp, which can provide career and resume building opportunities. Our volunteer C.I.T. (Counselor-in-Training) program offers training for future counselor positions to volunteer teens 16 and 17 years old. Our camp week runs Sunday afternoon through Thursday afternoon, with Fridays and Saturdays off.
