To Whom It May Concern:

My name is Suzanne Serianni and I am the Director of Owner/Guest Services at Corolla Light Resort located in the Outer Banks of North Carolina. Corolla Light Resort was recently named the 2008 Resort of the Year by the North Carolina Chapter of the Community Associations Institute.

The purpose of this letter is to invite students from your institution to apply for internship opportunities for the summer of 2009 at Corolla Light Resort. I received my Master of Science Degree in Outdoor Recreation Management from Springfield College in Springfield, MA and completed an internship at Corolla Light Resort as part of my degree requirements. The information and experience I gained from this opportunity have truly prepared me for my career. I gained organizational skills, leadership skills, administrative skills, as well as management skills that have been extremely helpful in my current position.

Corolla Light Resort needs Activity Interns for the summer of 2009. Housing is provided and students from any major are encouraged to apply for this internship to gain work experience in an award-winning beach resort setting!

Please feel free to contact me at 252-453-4565 or via e-mail at suzanne@corolla-light.com if you have any questions. Visit our website at www.corollalightresort.com for more information. Thank you in advance for your time.

Sincerely,

Suzanne Serianni
