

Great people.  
Great camping.™

**Kampgrounds of America, Inc. founded in 1962, is the premier name in the campground industry. With nearly 450 campgrounds throughout the US and Canada, we work hard to deliver a great camping experience to our camping guests. The owner and Chairman of the board states, “we encourage family togetherness and the wholesome desire of people to see our great country and connect with other people.”**

**We do this with a professional team of Great People, including committed owners, campground managers and team members who strive to keep the spirit of camping top of mind. Are you interested in joining this team?**

**We have opportunities at three beautiful California locations for recreation majors who want to spend the summer working with families on vacation and making new friends by sharing life experiences. This included general campground duties and lots of involvement in branded and campground specific recreation programming.**

**The benefits include: hourly pay, dormitory style housing, professional management, internship opportunities and lots of fun. Rewards also include the advancement of leadership, teamwork and life skills.**

**California Locations:**

**Stockton/Delta KOA in the California Delta**

**Santa Cruz KOA near the Pacific coast**

**Trinity Lake KOA in the Northern California Mountains**
