

Resort Recreation Internship San Antonio Hyatt Wild Oak Ranch Resort

The San Antonio Hyatt Wild Oak Ranch Resort (by seaworld) has lost an intern for the summer. So a spot has opened for this unique RESORT recreation position. This is the true recreation on wheels where you drop in for a week at a timeshare like silverleaf and enjoy the pools, slides, lazy river and a variety of camp related activities. It seems to be a combination of recreation center and overnight FAMILY camp activities but with nice Hyatt quality rooms (no bunkhouses) and a restaurant and bar.

Essentially the student would be involved with planning and implementing activities/events for all age groups, they would assist in facility management, assist with programming and implementing our day camp program, and get their hands dirty in all areas of resort recreation. The pay isn't the greatest, it's \$7.00/hour (40 hours/week), but the job is a lot of fun and they will get to work with other recreation interns from across the country....it really will be a great experience. The start date is May 26th and goes through the middle of August. Housing is set-up and is a 2 bed/bath apartment that would be shared with 3 other interns (all female). The apartment is fully furnished and all bills are included in the price. The apartment is \$434/month and is a short term lease for the summer.

If you know of a student from that area or somewhere else that may still be looking have them contact
