

Texas Lions Camp, Kerrville, TX  
Summer Staff Positions

I have 120 summer positions available for your students this summer, including some internships. I am looking for college-age men and women who are passionate about working with kids, ready for challenging new experiences, and will share their enthusiasm for adventure with boys and girls ages 7 to 16 years old. Read on for a little more about us and then please pass this along to your students. This is a great opportunity for them to get an educational experience outdoors, stretch themselves, gain more direction, and spend an adventurous summer making life-long friendships. In addition to all of that goodness, they can apply for scholarships up to \$2000 to go back to school.

What do we do? Texas Lions Camp is a camp for children with physical disabilities, children with cancer, and children with type 1 diabetes. We provide similar activities to mainstream camps, but we adapt everything so that all of our campers can participate. Activities include waterfront (pool and sports lake), music therapy, recreation and athletics, nature studies, barnyard and greenthumb, arts and crafts, ceramics, photography, radio station, horsemanship, archery, and center stage. We are looking for activity staff for those areas as well as bunkhouse staff to travel with campers from activity to activity each day.

Where are we? Camp is located in Kerrville, on 504 acres of beautiful Texas Hill Country, only about an hour northwest of San Antonio. We're close enough to Kerrville to enjoy the restaurants and entertainment, and far enough away to enjoy the night sky. The Hill Country has great places for camping, climbing, kayaking, biking, tubing, and San Antonio is perfect for taking in all the historic sites and shopping! Does it pay? YES, in so many ways! Your students will get a weekly salary, we'll do their laundry, and DID I MENTION \$50,000 in scholarships??? No special needs experience is required and extensive paid training is provided. Salary starts at \$150/week (depending on position/experience) and includes room/board and laundry services. Back to that scholarship thing...not only can they get experience for college, we might even help them pay for it. TLC offers a scholarship program that our staff can apply for. Scholarships awarded in 2007 totaled over \$50,000. \$50,000, you say??? Internships are also available. Call or visit us at your campus for more information on those.
